

दूर की याद
(A MEMORY FROM FAR AWAY)

Written by Ouroboros (synthetic placeholder script for Phase 3 testing)

FADE IN:

EXT. INDIA GATE - DUSK

Establishing shot: India Gate, floodlit, tourists gathered. A patriotic song plays faintly from a distant loudspeaker -- the opening notes of "Vande Mataram."

NARRATOR (V.O.) (SUBTITLED)
हर शहर की अपनी एक याद होती है।
(Every city has its own memory.)

INT. TV STUDIO - NIGHT

A television plays in the background. A chat show host interviews a guest about the film industry. A chyron beneath reads: "अमिताभ बच्चन के साथ विशेष बातचीत" (A special conversation with Amitabh Bachchan).

TV HOST
टाटा मोटर्स के नए वजि्रापन के बारे में
आपकी क्या राय है?
(What is your opinion on Tata Motors'
new advertisement?)

A car drives past the window outside -- a Tata Motors logo clearly visible on the hood.

EXT. MUMBAI STREET - MORNING

A crowded street. A giant hoarding for Amul butter looms over a tea stall. Commuters rush past.

NARRATOR (V.O.) (SUBTITLED)
मुंबई कभी नहीं सोती।
(Mumbai never sleeps.)

INT. TEA STALL - CONTINUOUS

An old television bolted to the wall replays cricket highlights.
Sachin Tendulkar raises his bat to a roaring stadium.

STALL OWNER
सचिन तेंदुलकर जैसा कोई नहीं था।
(There was never anyone like Sachin Tendulkar.)

CUSTOMER
अब भी नहीं है।
(There still isn't.)

FADE OUT.

THE END.
